

# NOTICE

**March 18, 2020**

The Texas Council Risk Management Fund (Fund) was planning for a Liability Workshop on April 24, 2020 at the Arboretum Renaissance Hotel in Austin. Due to the current Corona-virus (COVID-19) pandemic and the recommendations of city, state and federal authorities, we are cancelling the workshop. We obviously want to protect the health and safety of member participants, outside presenters and Fund staff. Our plan is to re-schedule the workshop in our October time slot.

To help continue our role of providing members with current and important risk management information we will host several webinars during the period between now and October. Like we did last summer we will present current risk related topics pertinent to Texas Community Centers. We are currently working on topics, dates and recruiting presenters. A bulletin announcing the summer schedule will be sent out in April.

The Fund and the Risk Managers Advisory Committee wants everyone to be safe and healthy. And we want to continue our role of providing members with the best risk related information of value to your center. If you have any questions or suggestions for webinar topics, please email Kathy Hulse at [Kathy.Hulse@sedgwick.com](mailto:Kathy.Hulse@sedgwick.com) or give her a call at (800) 580-6467 (Ext. 12420).
