

## **ANNOUNCING THE LAUNCH OF OUR NEW COVID 19 RESOURCE PAGE TO OUR TCRMF WEBSITE**

We are very excited to announce the launch of our newly designed TCRMF COVID 19 Resource page on the TCRMF website. Visit us at <https://www.tcrmf.org> where the COVID 19 Resource page and much more is currently available.

We endeavor to provide our members with the most up-to-date Risk Control information. Our goal with this new resource page is to provide our members with sample COVID 19 policies, programs, assessments and checklists. We will continue to add more Risk Control related publications and resources throughout the year.
