Sheriff Gerald Yezak – Place 3 - MHMR Authority of Brazos Valley

Known as “Sheriff Yezak” to his friends and colleagues, Gerald is a seasoned law enforcement officer with four decades of experience in law enforcement and seven terms as a Texas county Sheriff. Dedicated to advancing law enforcement through effective adoption of technology and addressing societal issues with a focus on mental health.

A committed family man, Gerald has three children and two grandchildren, emphasizing integrity and hard work in his personal and professional life. Outside of his law enforcement duties, he is a commercial beef and hay producer who actively volunteers with multiple community social groups with an objective of bringing a lifetime of law enforcement expertise to a larger audience.

Sheriff Yezak replaces long term Board Member, Judge Dorothy Morgan and as Gerald says, he has some big shoes to fill. As a member of the Texas Council Board of Directors, Sheriff Yezak is well positioned to bring his perspective and experience to enhance an already talented Board.
